Joseph Fisher

FGCB CEO & Founder

Class of 2022, this is a proud day for you as you celebrate a tremendous milestone in your life—graduating from High School to attend college, graduating from college and embarking on life, entering the military, or graduating high school and planning to attend college later. Know that we—your parents, relatives, friends and others—are excited for you in this moment.

It's not where you start, but where you finish. Don't worry about how long it takes to get there. Keep fighting, keep believing, and keep dreaming to get there. As you prepare to pursue the next chapter in your life, hold on to your core values.

The values FGCB has tried to share with you are:

Humility for continued learning and wisdom as you stop to reflect and problem solve, then keep moving forward.

Resilience to overcome your challenges.

Emotional Intelligence to listen and understand others.

Integrity: being honest and doing what is right even when no one is watching.

Respect for others because no one knows everything, but everyone knows something.

Empathy: listen and be sensitive to the needs of others.

Discipline to remain committed and focused to achieve your goals and to practice distraction control.

Servant Leadership: knowing your place to lead to help others; promoting a strong sense of community.

Remember to practice these core values to sustain your course to college success, to earn your degree, graduate and achieve your career goals.

Look at our speakers today and all they have achieved. This, too, is possible for you if you stay the course of college success.

Congratulations, Class of 2022. We are so proud of you!

Master of Ceremonies

Gavin Brown

Lead Pastor, Lifehouse Church
Chair, FGCB Board of Directors

Gavin Brown, a First Generation College Bound alum and its board chairman, graduated from the University of Valley Forge in 2004. He has been the Lead Pastor of Lifehouse Church since 2017, following thirteen years as a youth pastor. Gavin also is a sought after youth communicator and emcee and enjoys investing in the next generation. He along with his wife Shekinah, makes their home in his hometown, Laurel, MD with their three children. Gavin credits Mr. Fisher for instilling in him a winning mindset at a young age and helping him navigate critical junctures of life by being a sounding board and encourager.

College Bound Reflection

Yinka Eromomene

Old Mill Senior High School, Class of 2022

Yinka Eromomene was born in Nigeria and came to the U.S in 2012. He joined FGCB in his freshman year at Laurel High School and has participated in FGCB workshops and summer activities throughout his high school career. Last year, Yinka moved away from Laurel and currently attends Old Mill Senior High, where his favorite subject is math. After graduation, Yinka plans to enroll at the University of Maryland, Baltimore County and will major in computer engineering. Yinka enjoys exercising, learning, and playing games as well as watching and playing

soccer. One of the values he lives by is lifelong growth. To that end, Yinka enjoys meeting new people, getting out of his comfort zone, and experiencing different perspectives to further develop himself and be a more open and versatile person.

College Reflection

Jada Brown

Master of Social Work,
University of Maryland - Baltimore, Class of 2022

Bachelor of Science in Social Work,
Morgan State University, Class of 2019

Jada Brown was raised in Prince George's County, MD by her parents, Douglas Brown and La'Shaun Polly. She joined FGCB in 2014 during her senior year at Laurel High School. Sadly, in the same year, Jada lost her mother, which further encouraged her to focus on graduating high school and pursuing a college degree. Jada attended Morgan State

University in Baltimore. While at Morgan, Jada participated in student organizations and learned about community outreach. This led her to pursue a degree in social work, earning a Bachelor of Science in Social Work from Morgan State in 2019. Jada went on to pursue a Master of Social Work degree from the University of Maryland, Baltimore, graduating in May, 2022. Currently, Jada is looking for more opportunities to grow in community outreach through her passion for social work.

Keynote Speaker

Reginald Black

Reginald Black, a First Generation College Bound alum, is a marine scientist and social entrepreneur dedicated to using innovative techniques to solve complex problems in our educational system and community. His energy and enthusiasm as an educator/motivator/life coach and passion for cultivating the minds of our youth, has brought him a tremendous number of opportunities in various professional settings.

Reginald has worked as a STEM teacher for the Maryland Coastal Bays Program and the Prince George's County Public Schools. He has also

served as an adjunct professor in Environmental Science and Oceanography at the University of Maryland Eastern Shore (UMES) and Trinity Washington University in the District of Columbia.

As Workforce Development Specialist for the DC Infrastructure Academy, Reginald helped District of Columbia residents acquire mid-level careers in the fields of energy and utilities, information technology and transportation.

As supervisor for workforce development and education in the Department of Youth and Rehabilitation Services in the District of Columbia, Reginald created the partnership and facilitated the process to bring a mobile GED unit to the facilities.

Reginald has served as a Case Manager for TANF recipients in Prince George's County and the District of Columbia. As a College/Career Navigator for an adult Public Charter School, he assisted 14 adult students and 21 GED recipients from the Department of Youth and Rehabilitation Services with being accepted to college.

Reginald received both his Bachelor of Science in Environmental Science and a Master of Science in Natural Resource Management with a concentration in Marine Estuary Environmental Science from the University of Maryland, Eastern Shore.
