

FIRST GENERATION COLLEGE BOUND

Third Annual **WHERE ARE THEY NOW?** **LOOKING BACK TO CREATE THE FUTURE**

WEDNESDAY, NOVEMBER 9TH, 6:30 PM - 8:30 PM EDT

First Generation College Bound invites you to join us on November 9th to celebrate FGCB students achieving their potential and building a brighter future through obtaining a college degree.

Join us at our **free** virtual event to celebrate our past and be inspired to invest in a brighter future for first generation college bound students.

Through this event, we will:

1. Celebrate our students, parents and supporters of the FGCB mission.
2. Share inspirational stories from students, who have beaten the odds and learn where they are now to highlight the FGCB return on investment.
3. Demonstrate the importance of investing in first generation college students.
